

CHARIS FOUNDATION

BRING BACK THE SMILE

NEWS LETTER

WHO WE ARE

Charis Foundation began when Silas and Teni welcomed an orphaned child from Thiruvallur into their care, inspired by compassion and a desire to restore hope. Following the devastating 2004 Chennai tsunami, they extended their care to 22 tsunami-affected and orphaned children, providing food, shelter, education, clothing, and love. What started with one child soon grew into a children's home dedicated to transforming the lives of vulnerable children.

WHAT WE DO

Charis Foundation is dedicated to feeding, clothing, and caring for children in need, believing that every child deserves a safe, happy, and fulfilling life. Over the past 22 years, the Foundation has transformed the lives of 274+ children, rescuing children as young as 3 years old from homelessness, abuse, abandonment, and neglect. Every child is welcomed into a loving home with nutritious meals, a comfortable bed, quality education, lifelong care, and the opportunity to make friends, enjoy childhood, and build a brighter future.

GARDENING

By planting and caring for trees and flowers, our children learn responsibility, patience, and the importance of protecting God's creation.

HEALTH & HYGIENE

Interactive sessions on hygiene and healthy habits taught our children how to care for themselves and stay healthy.

STUDY TIME

Daily study sessions help our children build knowledge, confidence, and a brighter future through education.

BIRTHDAY BUDS

The birthday buds of Charis Foundation celebrate their birthdays on the 15th of every month. It is a joyful occasion, as every child experiences the love, care, and happiness of being part of our family.
